

Dear Mastercard cardholder,

We are constantly improving our service to our customers and on a regular basis we need to perform maintenance on our platforms to meet this requirement.

On Wednesday, August 4, 2021, Mastercard has announced a maintenance project that will impact our Debit and Credit Card transactions locally and internationally.

Due to the maintenance on the Mastercard platform, you will not be able to execute any transaction with your Mastercard Debit Card nor Mastercard Credit Card on Wednesday, August 4, starting at 11 pm local time till Thursday, August 5, 5 am local time.

We trust to have informed you accordingly and apologize for any inconvenience.
